**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

All claims in this case were indicated as allowable in the communication mailed 10/26/98. Indication that all claims are allowable closes prosecution, see MPEP 714.14. Prosecution thus having been closed, the amendment filed 10/17/2000 is treated under 37 CFR §1.116. The amendment in question does not meet the requirements of 37 CFR §1.116(b), as it is not limited to the cancellation of claims, nor does it respond to any grounds of objection or rejection, all claims having been indicated as allowable. Thus, the amendment will not be entered.

Similarly, the information disclosure statement filed 10/17/2000 will not be considered, as it is not in compliance with 37 CFR §1.97(c). It has been placed in the file.

Prosecution remains suspended, as per the communication mailed 5/23/2005.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Lorraine M. Spector. Dr. Spector can normally be reached Monday through Friday, 9:00 A.M. to 3:00 P.M. at telephone number 571-272-0893.

If attempts to reach the Examiner by telephone are unsuccessful, please contact the Examiner's supervisor, Ms. Brenda Brumback, at telephone number 571-272-0961.

Certain papers related to this application may be submitted to Technology Center 1600 by facsimile transmission. The faxing of such papers must conform with the notices published in the Official Gazette, 1156 OG 61 (November 16, 1993) and 1157 OG 94 (December 28, 1993) (see 37 C.F.R. § 1.6(d)). NOTE: If Applicant does submit a paper by fax, the original signed copy should be retained by applicant or applicant's representative. NO DUPLICATE COPIES SHOULD BE SUBMITTED so as to avoid the processing of duplicate papers in the Office.

Official papers filed by fax should be directed to 571-273-8300. Faxed draft or informal communications with the examiner should be directed to 571-273-0893.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
